9 January 1973

Mr. C. L. Marshall
Director, Division of Classification
U. S. Atomic Energy Commission
Washington, D. C. 20545

Dear Mr. Marshall:

With reference to your letter of September 21, 1972, (addressed to Mr. John S. Warner) the subject documents have been reviewed by this Agency. The Department of State had also requested that we review the same documents.

I am inclosing for your information a copy of our response to the Department of State with specific identification of those items which may be declassified and those which we feel must either retain their classification or from which phrases must be deleted.

Sincerely,

/s/

Records Management Officer

20 November 1972

Mr. C. L. Marshall
Director
Division of Classification, G-155
U. S. Atomic Energy Commission
Washington, D. C. 20545

Dear Mr. Marshall:

With regard to your letter of September 21, 1972, addressed to Mr. John S. Warner, I am pleased to advise that CIA has no objection to the declassification and publication of Galley 425-426 TIL, and has so advised the Department of State.

The remaining documents for which you requested review in that same letter are still in process and we hope to have a response to you shortly.

/s/

Records Management Officer
